PUBLIC COMMENTS AND CONCERNS: -

Elizabeth Brinkworth, Assemblymember Monica Wallace's Office: Their office hosted their annual Women of Distinction Awards Ceremony last Friday, able to highlight various women and their accomplishments throughout the district. A couple from Depew, Depew Police Department Lieutenant Rochelle Menard, PATH Director Julie Palmer, Depew Fire Department Captain Dawn Gauthier, and Fantastic Friends President Debbie Cordone. Summer Reading Challenge is back – encouraging kids to read at least 15 minutes a day for 40 days in July and August. There are Summer Reading Challenges at the following locations: Lancaster Public Library, Anna Reinstein Memorial Library, Julia Boyer Reinstein Library, Lancaster Youth Bureau, Alexander Community Center. Those can be picked up, a booklet that they get to mark off the days they read, if they complete the program, they mail back the packet to their office and get a certificate for all their hard work. Assemblymember Wallace announced last week that she was able to secure \$30,000 for the Depew/Lancaster Boys & Girls Club and this was to purchase several games like skee ball, bubble hockey, arcade basketball, an interactive white board, claw machine, X-box. In terms of legislation, the Member was hard at work this session, was able to pass 11 bills in the Assembly, 10 of which got passed in the Senate, hoping that those that passed in both will be signed into law. Wanted to highlight is on that is important to the Assemblymember and Senator Gallivan, it is Assembly bill 3052, also known as the Trooper Lakeman Bill, which essentially allows for his application that was filed with NYS Local Police and Fire Retirement System to be filled in a timely manner.

Nancy Sirianni, 91 Candance: Had concerns about Carrubba's Chicken Pit, her backyard butts up to them. Has two pods on lot that hasn't moved, wondering if they needed permits. Also, sometimes the dumpsters are left open.

Don Bielefeld, Code Enforcement Officer: Explained that Carrubba's had filed for permits for outdoor storage buildings but the company took their money and ran. They have since filed for new permits, which were approved, once they are in place, that stuff should move.
