DEPARTMENT HEAD REPORTS

Fire Chief's Report
Village Board Meeting May 24, 2021

1. Current Roster: 117 firefighters, 6 explorers
2. May 2021 Calls to Date: 13 YTD 2021 Calls: 106

3. 3) YTD Damages: \$57,500
4. 4) Depew firefighters continue to train hard and respond to emergencies throughout the Village. I want to thank each of them for their continued dedication to our Village and the residents. The community should know that when they call for the fire department, they can rest assured that they are having competent volunteer firefighters that will respond with the utmost professionalism to every incident.
5. 5) Mulch fire season is upon us. We have recently seen a large uptick in mulch fires being reported. Majority of these fires are caused by careless discarding of cigarettes. Residents are reminded to properly discard cigarettes in a manner to ensure they are extinguished, and to avoid tossing them out of their car windows. Although most of these fires are reported rather quickly, these fires could have the potential to spread uncontrollably to surrounding structures and cause significant damage if given the opportunity.

Respectfully Submitted,
Todd J. Rzeszutek

Chief Miller – see attached report

Attorney Alba – Oral arguments went well for the lawsuit we face. The Judge requests a copy of the un-redacted police report, which is a common occurrence. The DEC contacted him about the Village not moving forward for the reclamation landfill. Sam informed them that we have indeed been moving forward and are working on the process as we speak.

Trustee Kucewicz reported for the Recreation Dept that the pool will open on 6/22 for residents of the Village only. There will be adult swim only from 6-7pm. There will be no swimming lessons and the pool will be open from 11am-7pm. Co-ed softball starts on 6/8, Lacrosse starts on 6/7 and yoga beings on 6/19 Wednesdays and Saturdays. Softball will cost each team \$150. There will be a pay app on the website to purchase swimming passes.

Mayor Peterson reported that the W. Dawson Park update is back on track now. We will be receiving a few bonuses that the Pour In Place supplier will give to the Village so they can use our park as a model. Hope to open in early July.

Trustee Hamernik attended a ZOOM meeting regarding housing protection for those that may not be able to pay their rents/mortgages right now. Tuesday is Matthews' table, it will again be a drive through.

Trustee Kucewicz shouted out a thank you to the DPW for picking up her shrubs that she removed from her property.

Deputy Mayor Stempniak said she will at the next Village Board Meeting. She now has seedlings that will be available to residents. If anyone wants some, please contact someone from the Tree Board and we will get them to you. The RFP for Arborist is almost finalized and she will be getting that out soon, after reviewing it with DPW Super. Pyc.

Tony Fischione will be doing a ZOOM meeting on the 22nd of June for Zombie housing, anyone on the board is welcome to join him. Mayor Peterson asked if we will be getting a list for lawn cutting in the near future and Tony said yes, at the next board meeting.

Mayor Peterson told everyone that the George Urban Blvd. Safety Project is still being tweaked by electrician George DelConte. Height adjustments have to be made. The Cantalician Center signs will run 365 days per year and the flashing lights from 7am – 4pm. Speed detector will be 24/7 as well. No pictures of speeding vehicles will be taken by the equipment. The Chief has noticed a reduced number of speeders lately as well.

The Dawson baseball will have the first pitch thrown out on 6/5. Summer concerts series will begin 6/24 and go through 7/23. Hit & Run has also agreed to do an additional concert in connection with Founders Day on 7/23. If anyone is interested in being a sponsor of Founder's Day, which no tax dollars go toward, the amounts are \$600, \$300 or \$100 to become one. Thank you Trustee Hamernik for once again being a sponsor. The Legion will have a small Memorial Day Celebration at Veteran's Park Saturday at 11am.

Representing Senator Kennedy's office, Bob Brandon reported that the Senator is working on many bills, some of which are small, but necessary. One is for highway works safety, with increased penalties to parties speeding in those work zones. Trustee Ziemba asked if those will pertain to Our DPW workers and Bob will do a follow up for him. Another one is for Smart App users who take advantage of Uber and Lyft services. It will give the person using the service the ability to identify the driver as the person they are expecting and not some stranger who may be there to cause them harm. Data privacy legislation is another one and also one to make the Prime Contractors on a job responsible for paying Sub Contractors to make certain that they receive payment for services rendered.

Ms. Charlene Wilber addressed the board as a concerned citizen who lives at 222 Darwin. There is a homeowner in Depew that needs to clean up his yard. It is a mess. The house is located at 42 Hanwell, and Mr. Baker has a fridge outside by his back door, paraphernalia. He now has a carnival truck parked in his driveway as well. She is going to be selling her house in a few years and moving, how can she sell her house when the guy's house looks so terrible? No one will want to live next to that, she does not like it one bit. It's disgusting. Tony knows her, she has complained before, but he keeps fining the guy, the guy keeps paying the fine to lift the notice and then it starts right back up again!! The fine is \$4,000 and he obviously doesn't care about paying it. How does he get away with this? Tony told the Mayor that he will be sending out the notice of court appearance soon, but the Judge just keeps doing what they do. Mayor Peterson suggested meeting with our new Judge prior to the hearing to give her the background on this one to see if anything else can be done. Ms. Wilber told the board that she has seen the inside of his garage and it is a fire hazard!!!! Tony explained that he cannot just go onto the property to look into the garage, he would need a court order to do so. He said his order to remedy will expire around the 3rd week in June. No one else has come before the board or filed a formal complaint and he cannot go door to door asking them to. She said she can and will. Mayor Peterson asked to be kept informed of the updates on this one. Ms. Wilber also addressed Chief Miller about the freeway on Darwin Drive!!! People are easily going 40-50 mph on that street and she is afraid that a child is going to get hurt. He assured her that he will have his officers look into this.

CLAIMS AND ACCOUNTS

ON A MOTION BY Trustee Kucewicz and seconded by Trustee Hamernik, the following claims are to be paid: \$176,894.12 General, \$441.71 Sewer, \$4,900.00 Capital Projects \$182,235.83 Capital was **CARRIED**.

ADJOURNMENT

ON A MOTION BY Deputy Mayor Stempniak, seconded by Trustee Hamernik the meeting was adjourned with a moment of silence for Hyview Member Eisenhower, he was a village resident, All Veterans on Memorial Day and prayers for Mayor Peterson's dad at 8:14 PM. The motion was **CARRIED**.

Respectfully submitted,

Teresa Wachowiak
